Portfolio: pravinrajmusiq.github.io

Professional Summary

Creative and detail-oriented Graphic Designer with hands-on experience in branding, digital and print design, social media content, and marketing materials. Skilled in producing high-quality visual assets across multiple formats — from social media graphics and promotional posters to motion graphics and campaign materials. Holds a Bachelor of Graphic Designing (Hons.) with a CGPA of 3.85 and Dean's List recognition for all seven semesters. Experienced in managing full design workflows independently, from concept and ideation through to final delivery.

Professional Experience

Graphic Designer & Video Editor (Intern)

Nanord Studio Production, Seri Kembangan, Selangor

March 2026 – July 2026

Produced graphic design and video content across multiple production formats within a professional studio environment. Designed visual branding for podcast episodes, edited behind-the-scenes content for the upcoming Malaysian feature film *Orang Perang*, and created dynamic short-form social media content. Managed multiple design deliverables under fast-paced production deadlines.

Content Creator

Mimpi Studio, Klang, Selangor

Feb 2023 – July 2023

Produced 50 to 100 pieces of graphic and video content for a wedding brand with over 5,000 social media followers. Designed promotional posters, social media posts, and Instagram Reels; provided on-site photography and videography support; and applied trend-driven content strategies that grew audience reach and engagement. Handled full design workflow from brief to final publish.

Freelance Graphic Designer & Video Editor

Various Clients, Selangor

2023 – Present

Delivered graphic design and video work for independent clients including promotional posters and flyers for events, social media content for personal brands, and event videography and editing for weddings and birthdays. Managed client briefs, revisions, and final delivery end-to-end.

Technical Skills

Design & Editing Tools: Adobe Photoshop, Adobe Illustrator, Adobe InDesign, Adobe After Effects, Adobe Premiere Pro, Adobe Animate, DaVinci Resolve, Blender, Bandlab

Design Skills: Branding & Visual Identity, Print Design (Posters, Flyers, Brochures, Banners), Social Media Design (Posts, Reels, Stories), Typography & Layout Design, Motion Graphics, Video Editing & Colour Grading, Photo Editing & Retouching

Other Skills: Marketing Material Production, Content Planning, Basic Photography & Videography, Creative Thinking, Time Management

Projects

REBRANDING OF ALI MUTHU & AH HOCK FRANCHISE

Degree Final Year Project | Adobe Photoshop, Adobe Illustrator, Adobe InDesign, Adobe Premiere Pro

Designed and developed a complete rebranding package for a food franchise, including a digital self-service kiosk, point-of-purchase materials, packaging, sleeves, menu book, series poster,

motion graphic posters and website. Covered full branding workflow from visual identity to final production-ready assets.

SPRM CAMPAIGN VIDEO

Degree Assignment | Adobe Premiere Pro, Adobe Photoshop, Bandlab

End-to-end campaign video production for SPRM covering ideation, scripting, poster design, storyboarding, shooting, editing, sound design, colour grading and motion graphics.

RITAS — STRAWBERRY CAN DRINK ADVERTISEMENT

Degree Assignment | Adobe Premiere Pro, Adobe Photoshop, Blender

Fully 3D 30-second product advertisement. Can modelled and animated in Blender; composited in Adobe Premiere Pro with overlays, transitions and SFX.

ORANG PERANG — BEHIND THE SCENES

Feature Film Production | DaVinci Resolve

Contributed to the behind-the-scenes production of the upcoming Malaysian feature film *Orang Perang*, handling BTS video editing and social media content to build pre-release audience engagement within a professional film production environment.

JUSTICE SHORT FILM

Degree Assignment | Adobe Premiere Pro, Adobe Photoshop, Bandlab

A 12-minute short film covering full production: script, shooting, editing, sound design, remixing and colour grading.

Education
